BUDGET 2016 SUPPORTS CANADIANS

Dear Friends & Neighbours,

The summer weather is a reminder of how lucky we are to live in a beautiful city where many, myself included, enjoy biking to work, walking, or taking transit on a regular basis. On June 18th I was pleased to attend the launch of the Liberal Government's very first finalized Infrastructure Agreement, a deal with British Columbia to fund \$900 million in public transit improvements. The Government of Canada will contribute a full 50% toward "shovel-worthy" projects to modernize and expand transit services in BC.

Broadway is a very busy transportation corridor, so the \$12 million allocated for planning and design of better public transit along Broadway is welcome news. As the project moves forward, proper consultation with Broadway merchants and local residents will be absolutely crucial to creating the best possible outcome, and I will work to make sure that happens.

This summer will be busy with a number of local public events and festivals. I look forward to chatting with you at a neighbourhood gathering or one of our MP Policy Cafés in various neighbourhoods around Vancouver Quadra. Please check my website for details.

Have a fun and safe vacation!

Best regards,

Joyce

BUDGET 2016:

Helping families with children

On July 1st families with children under 18 began receiving the new Canada Child Benefit (CCB), a federal tax benefit that is simpler, tax-free, more generous and better targeted than the previous system. The CCB provides a monthly payment totalling up to \$6,400 a year per child under age 6 and up to \$5,400 per child aged 6 through 17, and you won't have to pay any of it back when you file your annual tax returns! You can Google 'Budget 2016 Child Tax Benefit Calculator' to find out just how much

your family's CCB will be. If you haven't received child benefits before and you have a child under 18, you must apply. Please contact my office for help.

The CCB will help families with the high costs of raising their children. Under the new system, low and middle-income families will receive more, and those with the highest incomes (generally over \$150,000) will receive less. Nine out of ten Canadian families will receive more generous payments than before, with an average yearly increase of almost \$2,300;

300,000 Canadian children will be lifted above the poverty line by these monthly cheques.

Investing in our shared future is not only compassionate, it helps the middle class, and Canadian society as a whole, to grow stronger.
